All recommendation letters must be uploaded to the online system by senders *before* you can submit your application.

- We ask you to invite at least three (but no more than five) letters of recommendation from professors or others who know you well. A maximum of five email address spaces are included. **You may not reset these email addresses once submitted.**
- For scholarships, your recommendation letters should address your academic abilities and achievements thus far, your character, and your promise as a teacher. If you are applying for the Teacher Development or Academic Enrichment grants, the recommendation letters should address the individual's leadership abilities as well as how the project will make a difference in the school or community. The individual whose address has been provided will receive an email with instructions for uploading a reference letter in one of the following document types: .doc, .docx, .txt, .pdf, .jpg, .jpeg, .tiff, .tif.
- When you return to your online application, you will see that the reference status is 'pending' if an upload has not been received or a 'complete' if it has been received. **Your application is not complete and may not be submitted until you have at least three letter files uploaded.**
- You are responsible for communicating with letter authors regarding the submission process. We strongly recommend you communicate with the individuals providing your letters in advance asking them to add [info@mccartheydressman.org](mailto:info@mccartheydressman.org) to their approved contacts so that they do not miss the message. They should look for a message with the subject line "Recommendation for \_\_\_\_\_."
- Each time you request a letter to be sent from an individual, they receive a *new link* for submitting the letter which invalidates the old link. If you have requested their reference multiple times, they may have received more than one email. The recipient will need to locate the most recent email and use that link to submit their letter.
- **NOTE: Letters must be uploaded no later than April 15. At least three letter files must be attached in order to submit your application.**
